National Community Development Association
NCDA Technology Subcommittee
2016 Priorities

1. Provide suggestions to NCDA staff for updating and improving the NCDA website and the online Member Forum based on member feedback from the Technology survey results (pages 12-18 of the attached survey results). Establish a timeline to complete the improvements in 2016.

2. Recommend technology platforms for reaching and recruiting prospective members during NCDA National Membership Month (April 2016). Provide the recommendations to the NCDA Executive Director by February 26, 2016 for implementation by March 31, 2016.
