

# National Community Development Week

April 1-7, 2002

## Stars and Stripes, Forever!

This year's theme, "CDBG: Uniting Communities Across America," sends a strong message to Congress that the Community Development Block Grant (CDBG) program must not be put on the chopping block but be recognized as the domestic program that ensures economic stability for all communities.

This creative piece of artwork is the vision of Rosa Salazar of Lubbock, Texas. It is a colorful rendition of our nation's flag that embodies the patriotic spirit that has spread across the country, particularly since the events of September 11th.
