APRIL 24 - 30, 2000

Place your order today for NCDAs new and exciting 2000 National Community Development Week promotional materials.

This year's millennium theme, "People Strengthening Communities Strengthening People," sends a strong message to Congress that through the Community Development Block Grant (CDBG) program, neighborhoods across the nation can achieve the goals they've set to improve the lives of their low- and moderate-income citizens.

The artwork, created by Aquidneck Management Associates, Ltd. of Newport, Rhode Island, was commissioned by NCDAs to honor the accomplishments of the CDBG program and the continued support for the services it effectively provides to local governments.

Order your items today! Let's move CDBG forward into the new millennium!
