

Lead-Based Paint Letter Congressional Contacts

The following list provides you with the name, phone number, fax number, and the e-mail address, where available, of the chair and the ranking member of the House and Senate Appropriations committees/VA-HUD subcommittees and Banking committees/Housing subcommittees. The names which are in bold are the key members to send the letter to, particularly the appropriations committee/subcommittee members, since we are trying to have language attached to the FY 2001 VA-HUD appropriations measure to delay the Lead-Based Paint regulation. Send the letter to the ranking minority member only if they are your representative or senator. Also, we urge you to send the letter to those congressional members who represent you in Congress, but who may not be a member of one of these committees/subcommittees. We urge you to send the letter this week. Please call Vicki Watson, Senior Legislative Counsel, at NCDA at 202-887-5532, if you have any questions.
