## **TERRENCE R. DUVERNAY HOME PROGRAM AWARDS OF EXCELLENCE**

The National Community Development Association (NCDA) has created an awards program to recognize participating jurisdictions which have created exemplary projects or programs funded with HOME Investment Partnerships (HOME) Program funding. The awards are named in honor of Terrence (Terry) R. Duvernay, a good friend and Past-President of NCDA. Terry was NCDA's President from 1975-1977 and a strong supporter and contributor to the HOME program. He served in the housing field his entire life and held several prestigious positions including the position of Deputy Secretary under HUD Secretary Henry Cisneros in the 1990s. Terry believed in providing affordable housing opportunities to all Americans and he dedicated his life's work to this goal. Sadly, Terry passed away in 2001. This award is dedicated to his memory.
