

CDBG Best Projects Template

What is a best project?

It describes a positive change; how a project or program made a difference in people's lives.

Criteria

Project Impact

Projects that exemplify why the CDBG Program is successful based on the impacts it achieves. The project or program meets all program requirements and has no outstanding monitoring or Inspector General findings.

Individual Impact

How the CDBG Program was instrumental in helping an individual or family or otherwise presents a compelling story.

AND/OR

Neighborhood Impact

How the CDBG Program has helped improve a neighborhood by creating jobs, revitalizing an area, reducing crime, improving outcomes for people living there, bringing in outside investment, or otherwise showing an impact.

Please complete the following requested template information.

CDBG Best Projects Template

Name of Jurisdiction: _____
